Why EZ Dock?

As an EZ Dock Dealer, you are a member of an extensive network of skilled professionals who offer outstanding customer service and solutions to customers. Supported by best-in-class distributors, industry leading products, as well as extensive research and insights, marketing support, training, and reward programs you are put in a position to succeed immediately.

Founded in 1991 based on the premise that there should be a better option than the traditional wooden dock, EZ Dock was first to market with its floating dock systems. EZ Dock's products are durable, ecofriendly, and require less maintenance than traditional dock systems.

EZ Dock's line of products are designed for residential, commercial, industrial, and government use. EZ Dock products can be configured in limitless ways, so no matter your customer's needs, we can work together to find the perfect solution to make their waterfront dreams a reality.

Makin' Lake Life EZ...
